

VentureDeal Venture Capital Funding Quarterly Reports

MENLO PARK, CA, September 16, 2008 – Venture capital database [VentureDeal](#) is pleased to announce the release of complimentary Venture Capital Funding Quarterly transaction reports. The reports are exclusively sponsored by [Bio Investor Forum](#), a conference featuring late stage private and emerging public companies, with a special focus on investment strategies and competitive therapeutic and drug development landscapes.

Covering the second quarter of 2008, the reports provide a combination of notable venture capital transactions, insights into trends by industry sector and aggregated data.

Written by recognized industry contributors, the current reports released for Q2 2008 may be found by clicking the links below:

- Alternative Energy - Clean Technology - Energy - Environmental [Web](#) | [PDF](#)
- Biotechnology - Pharmaceutical - Medical Devices [Web](#) | [PDF](#)
- Internet - Digital Media - eCommerce - Software [Web](#) | [PDF](#)
- Telecom - Wireless - Mobile - Communications [Web](#) | [PDF](#)

Companies such as professional service firms, technology companies and venture capital firms derive benefit from new perspectives on industry trends, discovering new companies being funded and which venture capital firms, angel groups, private equity firms and venture lenders provided the financing.
