

## **Venture Capital M&A Quarterly Reports from VentureDeal**

MENLO PARK, CA, July 1, 2010 – Venture capital database [VentureDeal](#) is pleased to announce the release of its complimentary Venture Capital M&A Quarterly report.

Covering the second quarter of 2010, the report provides a combination of notable venture capital M&A transactions involving VC-backed startups, insights into trends by industry sector and aggregated data.

Written by VentureDeal staff, the current report released for Q2 2010 may be found by clicking the link below:

- Venture Capital M&A Quarterly – 2010, Second Quarter

<http://www.venturedeal.com/Reports/Default.aspx>.

Organizations such as professional service firms, technology companies and venture capital firms derive benefit from new perspectives on industry trends, discovering new companies being acquired and which venture capital firms, angel groups, private equity firms and venture lenders provided the financing.

### About VentureDeal

VentureDeal is a venture capital database that provides comprehensive venture capital industry information for service firms, technology companies and venture capital companies. VentureDeal subscribers receive real-time information about U.S.-based companies being funded or acquired, along with who is involved - down to the individual decision maker, company management and venture capital firm partner.
