

VentureDeal is Selected as Provider of Deal Feeds to Eric Olson's Observations Technology Blog

December 12, 2006

MENLO PARK, CA

VentureDeal is pleased to announce that it has been selected as the preferred provider of venture-backed company news to the influential venture blog by Eric Olson.

The timely and sometimes irreverent blog serves the venture technology community and beyond with a variety of insightful posts on the latest in blog, news syndication and Web 2.0 technologies.

VentureDeal was selected by Olson to provide a daily stream of relevant venture industry deal announcements and technology news gathered throughout the United States and Israel.
